tey, April 18.—Conference met pursuant to rule, topr., Clipton presiding.

The usual preliminary proceedings having been rose through with, the Superintendent resumed he questions of the discipline.

The fifteenth question, "What new societies have been received!" was reached, and a new so-

ciety was presented from Alexandria, Virginia, and To the sixteenth, "What numbers are in soci ety III the answers gave indication of large increase in the membership of the churches throughout the

District, and furnished evidence of the visitation I the Divine Spirit during the peat year. A number of letters of commendation were rea on the several churckes, which were highly are: able to the pastors of these churches.

A lengthy discussion was entered into in

and Dr. S. T. Gray, of New York conference.
A collection of fifteen dollars was lifted for the

"BRIER YOUR BOOTS."—A funny scene occurred in front of Willard's, Tuesday, sunng the boot-blacks who shine around that curner. A boy, whose feet were bare, but were covered with a fough skin, was net with the usual interrogatory, and immediately set one of the black-em-o'ers at work upon his pedal extrentities. The affair attracted a crowd of the professors of the black out, and others, and many were the critical instructions given to the operator, such as "polish reun dar heel right smart," black 'em between them foes, "et. The youth, who received the polishing, fork-The youth, who received the polishing, fork o' over the see with an air, and walked away, ey ag his feet as proudly as if they had been encased
